Faith in Art week

Each year we devote a week to a project related to our Church School status. Last year we called it 'Special Books' and this year we have been looking at the use of art in all different religions. Each class signed up to explore a different aspect; there are now representations of the Trinity in Year 4, various Rangoli patterns and some beautiful stained glass windows. Year 1 are working with acrylic paints and proper canvasses for the first time.

This time next week, at 2.40pm we invite you to join us in celebrating this work as we exhibit it throughout the school. Because of this, there will be no Friday celebration assembly next week. We hope that as many people as possible can join us.

Southam Athletics

This Tuesday was our annual trip to Southam College to take part in the inter-school athletics competition there. It is always a really important occasion and for some children, often their first opportunity to represent the school and so we all look forward to it very much. We had representation in almost all events with some children having to work exceptionally hard as they were involved in a number of different activities throughout the session which went on for more than two hours. We were delighted to have winners in both track and field events and even more delighted at the spirit with which it was carried out. Certificates will be presented to all those that took part in our next Celebration Assembly.

Many thanks to staff for attending and for all the parental support the children received at the event.

Year 1 Class Assembly

This morning Year 1 delighted us with a brilliant performance in their class assembly. They took to the stage and entertained us with poems and songs. Much of it was based around one of their key texts, 'Jim and the Beanstalk' as they re-told this really lovely story with some excellent props—I particularly liked the false teeth.

They then linked this into the

other areas of learning—they showed us some of their Science and we saw the beanstalks they have been growing. With their topic having moved onto the three colours of the Union Jack Flag we also then got to experience some brilliant Irish dancing.

Well done Year 1, You performed brilliantly and we all thoroughly enjoyed ourselves.

Reminder

We made arrangements for parents to use the school car park after 5pm in order to pick up children from the after school club. This is the only time when parents cars should be on site and we have previously stated the need for caution when driving on to the school premises. We have had a number of staff cars scraped or bumped while parked in the car park and it is disappointing to learn that the culprits have not

approached school to take responsibility for the incident. Please remember to drive carefully and if an accident does happen be responsible and report it. Should staff vehicles continue to incur un-reported damage, we will have no option other than to lock the school gates thus preventing any vehicular access to parents.
