### And our Most Respectful Class of the week:

Reception  
Year 6

As we enter the last week of term, school is a hive of activity both learning and Christmas related. There is a general buzz of excitement as the post box of cards fills up and the tree, decorated by the children lights up the reception area.

#### Infant trip to Warwick Arts Centre:

On 4th December, the infant children went to Warwick Art Centre to see 'Wilde Creatures' based on the fairy tales of Oscar Wilde. The performance featured a crew of storytelling musicians bringing to life classic tales, direct from London's West End. Characters from 'The Happy Prince' and other stories sprang to life as the pompous mayor, the petulant princess and the love-sick student competed to become the new town statues. It was lots of fun all round and the children had a lovely time singing along to some of the songs.

#### Key Stage 2 go to the Belgrade Theatre

KS2 were feeling very festive after their highly enjoyable trip to watch Sleeping Beauty at the Belgrade Theatre in Coventry. Once they'd got used to the idea of men dressed as ladies and ladies dressed as men, the children joined in with the singing and shouting, laughing a lot at the terrible jokes. The pantomime dame had an amazing selection of outfits and the rest of the cast and whole staging was incredible.

*It was amazing! I liked the chicken costume and the dragon - Emma Y6*

*I really enjoyed this morning especially when they did the 'Fortnite' dance - Riley Y6*

#### The choir entertain at the Tom Hauley Room

This week the school choir were lucky enough to go and sing at the Tom Hauley room to some residents of the village. The children had a brilliant time and sang their hearts out. A particular favourite was 'The 12 Days of Christmas' which the audience even joined in with. It was a thoroughly enjoyable afternoon overall and Miss Kavanagh was extremely proud of all the singers. Well done!

#### HEY EWE!!

From the dress rehearsal to the very last show last night, I think everyone that saw it would agree that the Infants did an absolutely fabulous job of their production, 'Hey Ewe'. Congratulations to all of the children involved.

## End of topic celebrations

It was great that Key Stage 2 were able to celebrate the end of their term-long topics with some parents last Thursday afternoon. Spending fifteen weeks on World War 2 and Chocolate themes really allows the children to immerse themselves in the learning and get an even better understanding of all the related ideas.

The hot chocolate flowed in Year 5 as children spent time looking through all of their brilliant learning experiences including their amazing home learning projects.

In Years 3 and 4 the children added to their skills by learning how to play 'Beetle Drive' which apparently was a big successful.

I can't wait to see what the outcomes of next term will be!

## Car safety

It was brought to our attention last week that whilst coming to collect a child from the Infant playground, one of our parents had left their car on Mill Road with two other children in it - one awake and one not. Whilst we realise it does take time to get small children in and out of cars and nap times are precious, we would urge parents not to leave children unattended at any time even for a short time, as their safety is paramount.

Warwickshire School Health & Wellbeing Service and Warwickshire Young People Substance Misuse Service has launched a new way for parents and carers of school aged children to get confidential advice and support about child health related issues. ChatHealth is an award-winning school nurse messaging service and is available Monday to Friday from 9am to 5pm.

There will be automatic bounce-back responses to incoming messages out of hours. Answering the text message will be a nurse who can assist with any queries about general health, child development, behaviour, toileting and emotional health and wellbeing issues. The text number is **07520 619376**.

The opportunity to discuss any health issues relating to your child is always available and The School Health and Wellbeing Service can be contacted on

03300 245 204.
